Will the lights go out?	Cambridge	11 March	👥

The Economic and Social Research Council (ESRC) funds research into the big social and economic questions facing us today. We also develop and train the UK's future social scientists. Our research informs public policies and helps to make businesses, voluntary bodies and other organisations more effective.

The ESRC is an independent organisation, established by Royal Charter in 1965, and funded mainly by the Government.

ESRC Communications and Public Engagement  
 Polaris House, North Star Avenue, Swindon SN2 1UJ  
 Tel: 01793 442849, Fax: 01793 413001
