	License No	Date granted	Licensee	Brand names	Herbal ingredients	Excipients	Indication
1	THR 13668/0010	20-Feb-08	Bioforce (UK) Limited	Venaforce Horse Chestnut GR* tablets	One gastro-resistant tablet contains 157.5–225.0 mg of extract (as dry extract) from fresh Horse chestnut seeds (<i>Aesculus hippocastanum</i> L., semen) corresponding to 50 mg triterpene glycosides, calculated as anhydrous β -aescin. Extraction solvent: ethanol (60% m/m)	For the tablet: Microcrystalline cellulose, Maize starch, Colloidal silica, anhydrous, Soya polysaccharide. For the film coating: Methacrylic acid – ethyl acrylate copolymer (1:1) dispersion 30 per cent, Methacrylic acid – methyl methacrylate copolymer (1:1), Talc, Triethyl citrate	Relief of symptoms associated with varicose veins, such as tired heavy legs, aching painful legs, leg cramps and swollen ankles
2	THR 23056/0010	01-Oct-10	Schwabe Pharma (UK) Ltd	Thisilyn® Maximum Strength Milk Thistle Capsules, Higher Nature Milk Thistle Capsules	Each hard capsule contains: 193 mg – 261 mg of extract (as dry extract) from Milk Thistle fruits (<i>Silybum marianum</i> (L.) Gaertner)(equivalent to 3.725 g – 10.818 g of Milk Thistle fruits) corresponding to 108 mg of silymarin, calculated as silibinin. Extraction solvent: Acetone 95% v/v.	Extract excipients: Mannitol. Capsule contents: Capsule filling mass: Mannitol, Cellulose microcrystalline, Croscarmellose sodium, Silica colloidal anhydrous, Magnesium Stearate. Capsule shell: Gelatin, Purified water, Titanium dioxide E171, Sodium lauryl sulphate, Iron (III)-oxide E172 (= red iron oxide), Iron oxide hydrate E172 (= yellow iron oxide)	Symptoms associated with occasional over indulgence in food and drink such as indigestion and upset stomach.

3	THR 23056/0012	01-Oct-10	Schwabe Pharma (UK) Ltd	Thisilyn® Milk Thistle Capsules	Each hard capsule contains: 89 mg – 121 mg of extract (as dry extract) from Milk Thistle fruits (<i>Silybum marianum</i> (L.) Gaertner)(equivalent to 1.721 g – 5.000 g of Milk Thistle fruits) corresponding to 50 mg of silymarin, calculated as silibinin. Extraction solvent: Acetone 95% v/v.	Extract excipients: Mannitol. Capsule contents: Capsule filling mass: Mannitol, Cellulose microcrystalline, Croscarmellose sodium, Silica, colloidal anhydrous Magnesium Stearate. Capsule shell: Gelatin, Purified water, Titanium dioxide E171, Sodium lauryl sulphate, Iron oxide hydrate E172 (= yellow iron oxide)	Symptoms associated with occasional over indulgence in food and drink such as indigestion and upset stomach.
4	THR 21710/0001	23-Feb-10	NBTY Europe Limited	Holland & Barrett Valerian Capsules, GNC Live Well Valerian Capsules, Lifecycle Valerian Capsules, Nature's Garden Valerian Capsules	Each capsule contains 337mg of extract (as dry extract) from Valerian root (<i>Valeriana officinalis</i> L.) (equivalent to 1683mg – 2020mg of Valerian root). Extraction solvent: ethanol 70%v/v.	Magnesium stearate. Excipients in the extract: Maltodextrin, Silica colloidal anhydrous. Capsule shell: Hypromellose	Temporary relief of the symptoms of mild anxiety and to aid sleep
5	THR 15817/0006	29-Sep-10	Bio-Health Limited	HYPERIDRINE Capsules	Each capsule contains 300mg of St John's Wort aerial parts (<i>Hypericum perforatum</i> L.)	Hypromellose (Capsule shell)	Relief of symptoms of slightly low mood and mild anxiety.

6	THR 15525/0009	19/11/2010	Pharbio Medical International AB	Echinaboost film-coated tablets, Herbal Classics Echinacea Cold Relief film-coated tablets	1 tablet contains 40 mg of extract (as dry extract) (6.5:1) equivalent to 260 mg Echinacea purpurea root (Echinacea purpurea L. Moench. Extraction solvent: Ethanol 45% V/V.	Extract excipients: Cellulose, Colloidal anhydrous silica dioxide, Lactose monohydrate, Glucose (in liquiritae extract). Tablet core: Liquiritae radix extract, Menthol racemic, Hydrated dextrate, Sorbitol, Talc, Microcrystalline cellulose, Colloidal silica dioxide, Magnesium Stearate, Eucalyptus Oil, Anise Oil, Fennel Oil, Clove Oil. Tablet coating: Hypromellose, Macrogol, Water	Relief of symptoms of common cold and influenza like symptoms
---	-------------------	------------	--	--	--	--	---

7	THR 15525/0008	19-Nov-10	Pharbio Medical International AB	Valerina Night-Time film-coated tablets	1 tablet contains: 100 mg of extract (as dry extract) (4:1) equivalent to 400 mg of Valerian root (<i>Valeriana officinalis</i> L.). Extraction solvent: Ethanol 60% V/V; 78 mg of extract (as dry extract) (3.4-6.4:1) equivalent to 382 mg of Hops strobile (<i>Humulus lupulus</i> L.). Extraction solvent: Ethanol 70% V/V; 25 mg of extract (as dry extract) (6.5:1) equivalent to 162 mg of Lemon Balm leaf (<i>Melissa officinalis</i> L.). Extraction solvent: Ethanol 60% V/V.	Extract excipients: Cellulose, Colloidal anhydrous silica, Lactose monohydrate. Tablet core: Lactose monohydrate, Potato Starch, Magnesium Stearate. Tablet coating: Hypromellose, Titanium Dioxide, Macrogol 6000	Temporary relief of sleep disturbances due to symptoms of mild anxiety.
8	THR 15525/0007	19-Nov-10	Pharbio Medical International AB	Valerina Day-Time film-coated tablets	1 film-coated tablet contains: 100 mg of extract (as dry extract) (4:1) equivalent to 400 mg of Valerian root (<i>Valeriana officinalis</i> L.). Extraction solvent: Ethanol 60% V/V; 50 mg of extract (as dry extract) (6.5:1) equivalent to 325 mg of Lemon Balm leaf (<i>Melissa officinalis</i> L.). Extraction solvent: Ethanol 60% V/V. oxide, Macrogol 6000	Extract excipients: Cellulose, Colloidal anhydrous silica dioxide, Lactose monohydrate. Tablet core: Lactose monohydrate, Potato Starch, Calcium Hydrogen Phosphate, Magnesium Stearate. Tablet coating: Hypromellose, Titanium Dioxide, Macrogol 6000, Betacarotene	Temporary relief of symptoms of mild anxiety.

9	THR 00904/0003	16-Nov-10	Kerbina Limited (trading as Bio-Health)	Goodnight	<p>Each coated tablet contains: 60mg Verbena herb (<i>Verbena officinalis</i> L.), 30mg Hops strobiles (<i>Humulus lupulus</i> L.);</p> <p>36mg of extract (as dry extract) from Valerian root (<i>Valeriana officinalis</i> L.) (5:1), Extraction solvent: Ethanol 60% v/v;</p> <p>30mg of extract (as dry extract) from Passion flower herb (<i>Passiflora incarnata</i> L.) (3:1), Extraction solvent: Ethanol 60% v/v;</p> <p>18mg of extract (as dry extract) from Wild Lettuce herb (<i>Lactuca virosa</i> L.) (5:1), Extraction solvent: Water</p>	<p>Excipients of the herbal preparations: Calcium hydrogen phosphate, maltodextrin. Tablet core: Sucrose, lactose, sodium starch glycollate, magnesium stearate, talc. Tablet coating: Sucrose, talc, ferric oxide, titanium oxide</p>	Temporary relief of sleep disturbances
---	-------------------	-----------	--	-----------	---	--	--

10	THR 28255/0019	29-Oct-10	Rutland Biodynamics Ltd	English Herbal Medicines Herbal Quitacoff, Herbs Hands Healing Lobelia and Squill Cough Mixture, Brooke Green Lobelia & Squill Cough Mixture and Swiss Herbal Remedies Lobelia and Squill Cough Liquid	Each 5ml of oral liquid contains: 0.065 ml of liquid extract from dried Lobelia (Lobelia inflata L.) herb (1:1, Extraction solvent: ethanol 50% v/v; 1 ml of liquid extract from dried Squill (Urginea maritima L.) bulb (1:10), Extraction solvent: acetic acid (5.8 % w/v). Each 5ml of oral liquid also contains approximately 26 mg Ethanol (alcohol) equivalent to 0.7 ml of beer or 0.3 ml of wine.	Glycerol Concentrated Apple Juice	Relief of coughs such as chesty coughs and dry tickly coughs.
11	THR 33336/0003	20-Oct-10	Natures Aid Ltd	Ucalm Tablets	Each film-coated tablet contains: 300mg of extract (as dry extract) from St John's Wort aerial parts (Hypericum perforatum L.) (5-7:1) (equivalent to 1500 – 2100mg of St John's Wort). Extraction Solvent: Ethanol 60%v/v.	Herbal extract: Maltodextrin, Silica colloidal anhydrous. Tablet core: Calcium hydrogen phosphate dihydrate, Cellulose microcrystalline, Hydroxypropylmethyl cellulose, Croscarmellose sodium, Silica colloidal hydrated, Magnesium stearate. Coating: Sodium Carboxymethylcellulose, Lecithin, Dextrose monohydrate, Sodium citrate, Dextrin	Relief of symptoms of slightly low mood and mild anxiety.

12	THR 21710/0002	09-Nov-10	NBTY Europe Limited	Holland & Barrett St. John's Wort Capsules, GNC Live Well St. John's Wort Capsules, Lifecycle St. John's Wort Capsules and Nature's Garden St. John's Wort Capsules	Each capsule contains 150mg of extract (as dry extract) from St. John's Wort aerial parts (<i>Hypericum perforatum</i> L.) (5-7:1) (Extraction solvent: ethanol 60% v/v.	Microcrystalline cellulose, Magnesium stearate, Silica colloidal hydrated. Excipients in the extract: Maltodextrin, Silica colloidal anhydrous. Capsule Shell: Hypromellose, Titanium dioxide (E 171.)	Relief of symptoms of slightly low mood and mild anxiety.
13	THR 21710/0003	09-Nov-10	NBTY Europe Limited	Holland & Barrett Max Strength St. John's Wort Capsules, GNC Live Well Max Strength St. John's Wort Capsules, Lifecycle Max Strength St. John's Wort Capsules and Nature's Garden Max Strength St. John's Wort Capsules	Each capsule contains 300mg of extract (as dry extract) from St. John's Wort aerial parts (<i>Hypericum perforatum</i> L.) (5-7:1) (Equivalent to 1500mg – 2100mg of St. John's Wort), Extraction solvent: ethanol 60% v/v.	Microcrystalline cellulose, Magnesium stearate, Silica colloidal hydrated. Excipients in the extract: Maltodextrin, Silica colloidal anhydrous. Capsule Shell: Hypromellose	Relief of symptoms of slightly low mood and mild anxiety.
14	THR 00250/0217	14-Sep-10	Potters Ltd	Napiers Valerian Tincture	Each 5 ml of oral liquid contains 1g of Valerian root (<i>Valeriana officinalis</i> L.) 5ml of oral liquid contains approximately 1.05 ml of ethanol. (See section 4.4 'Special warnings and precautions for use'.)	Rectified Spirit (96% ethanol) Water	To aid sleep and temporary relief of symptoms of mild anxiety

15	THR 34863/0001	27-Aug-10	PhytoCon GmbH & Co KG	PhytoCon SABAL Capsules	Each soft capsule contains 160mg of extract (as soft extract) from Saw palmetto fruit (<i>Serenoa repens</i> (Bartram) Small) (9-11:1), Extraction solvent: ethanol 96% (V/V).	Gelatin polysuccinate, Glycerol 85 %, Glycerol, Purified water, Titanium dioxide (E 171), Ferric oxide (E 172)	Help relieve urinary tract discomfort in men who have been told they have enlarged prostate(BHP)
16	THR 13668/0019	06-Aug-10	Bioforce (UK) Ltd	Bronchosan Pine Cough syrup	5 ml [6.95 g] of oral liquid contains 1,445 mg of extract (as soft extract) from fresh <i>Picea abies</i> (L.) Karsten (spruce) shoots (0.9 – 1.2:1). Extraction solvent: Water; 5 ml of syrup contains 5.25 g of carbohydrate mainly present as sucrose, glucose and fructose.	Purified water, Raw cane sugar, Honey, Concentrated pear juice, Pine oil	Relief of coughs such as chesty coughs and dry tickly irritating coughs and catarrh

17	THR 26411/0003	06-Aug-10	BIONORICA SE	Cystipret coated tablets	1 coated tablet contains 18 mg of Centaury herb (<i>Centaureum erythraea</i> Rafn., herba), 18 mg of Lovage root (<i>Levisticum officinale</i> Koch., radix) and 18 mg of Rosemary leaf (<i>Rosmarinus officinalis</i> L., folium).	<p>Tablet core: Lactose monohydrate, Magnesium stearate, Maize starch, Povidone K25, Silica, colloidal anhydrous,.</p> <p>Tablet coating: Calcium carbonate, Castor oil virgin, Glucose syrup (dry substance), Iron oxide, red (E 172), Maize starch, Maize starch, modified Montan glycol wax, Povidone K30, Riboflavin (E 101), Shellac, Sucrose, Talc, Titanium (IV) oxide (E 171)</p>	Help flushing of the urinary tract and to assist in minor urinary complaints associated with cystitis in women only.
----	-------------------	-----------	--------------	--------------------------	--	---	--

18	THR 20894/0070	06-Aug-10	Brunel Healthcare Manufacturing Limited	Sainsbury's Echinacea Skin Care Tablets, Tesco Echinacea Skin Care Tablets, Superdrug Echinacea Skin Care Tablets, Gerard House Echinacea Skin Care Tablets and Herbalstore Echinacea Skin Tablets	Each film coated tablet contains: 71.5mg of extract (dry extract) from Echinacea purpurea root (6-7:1) (equivalent to 429 mg - 500mg of Echinacea purpurea (L.) Moench, root), Extraction solvent: Ethanol 30% v/v.	Excipients of the herbal preparation; Maltodextrin, Colloidal Anhydrous Silica. Tablet Core: Calcium Hydrogen Phosphate Dihydrate, Microcrystalline Cellulose, Croscarmellose Sodium Colloidal Anhydrous Silica, Magnesium Stearate. Film coating: Hypromellose, Purified Talc, Mastercote Green FA0511G, (Vegetable Carbon Black (E153), Copper, Chlorophyllin (E141), Titanium Dioxide (E171))	Symptomatic relief of minor skin conditions such as spot, pimples and blemishes.
----	-------------------	-----------	--	---	--	---	--

19	THR 20894/0062	17-Mar-10	Brunel Healthcare Manufacturing Limited	Sainsbury's Echinacea Cold and Flu Relief, Tesco Echinacea Cold and Flu Relief, Morrisons Echinacea Cold and Flu Relief, Superdrug Echinacea Cold and Flu Relief, Wilko Echinacea Cold and Flu Relief, Co- op Echinacea Cold and Flu Relief, Gerard House Echinacea Cold and Flu Relief, HERBALSTORE Echinacea Cold and Flu Relief and Waitrose Echinacea Cold and Flu Relief	Each film coated tablet contains: 71.5mg of extract (dry extract) from Echinacea purpurea root (6-7:1) (equivalent to 429 mg - 500mg of Echinacea purpurea (L.) Moench, root). Extraction solvent: Ethanol 30% v/v.	Excipients of the herbal preparation; Maltodextrin, Colloidal Anhydrous Silica. Tablet Core: Calcium Hydrogen Phosphate Dihydrate, Microcrystalline Cellulose, Croscarmellose Sodium, Colloidal Anhydrous Silica, Magnesium Stearate. Film coating: Hypromellose, Purified Talc, Mastercote Green FA0511G, (Vegetable Carbon Black (E153), Copper Chlorophyllin (E141), Titanium Dioxide (E171))	Relief of the symptoms of common cold and influenza type infections
----	-------------------	-----------	--	---	--	--	---

20	THR 20894/0063	17-Mar-10	Brunel Healthcare Manufacturing Limited	Sainsbury's Max Strength Echinacea Cold and Flu Relief, Tesco Max Strength Echinacea Cold and Flu Relief, Morrisons Max Strength Echinacea Cold and Flu Relief, Superdrug Max Strength Echinacea Cold and Flu Relief, Wilko Max Strength Echinacea Cold and Flu Relief, Co-op Max Strength Echinacea Cold and Flu Relief, Gerard House Max Strength Echinacea Cold and Flu Relief and Waitrose Max Strength Echinacea Cold and Flu Relief	Each film coated tablet contains: 143.0 mg of extract (dry extract) from Echinacea purpurea root (6-7:1) (equivalent to 858 mg – 1000 mg of Echinacea purpurea (L.) Moench, root). Extraction solvent: Ethanol 30% v/v	Excipients of the herbal preparation; Maltodextrin, Colloidal Anhydrous Silica. Tablet Core: Calcium Hydrogen Phosphate Dihydrate, Microcrystalline Cellulose, Croscarmellose Sodium, Colloidal Anhydrous Silica, Magnesium Stearate. Film coating: Hypromellose, Purified Talc, Mastercote Yellow FA0117 (Titanium Dioxide (E171), Yellow Iron Oxide (E172))	Relief of the symptoms of common cold and influenza type infections
----	-------------------	-----------	--	--	---	--	---

21	THR 18397/0005	09-Jun-10	Swiss Caps GmbH	HarpagoCaps, soft capsules	One soft capsule contains 225 mg of extract (as dry extract) from Harpagophytum procumbens D.C. and/or H. zeyheri L. Decne, radix (Devil's claw root) (3-5:1). Extraction solvent: Ethanol 60% V/V	Capsule filling: Lactose monohydrate, Silicon dioxide, precipitated, Soya-bean oil, refined, Coconut oil, refined, Palm kernel oil, fractionated, Beeswax, yellow, Phospholipids from soya-beans (Lecithin), Butter fat, Capsule shell, Gelatin, Glycerol, Sorbitol, liquid, partially dehydrated Ferric (III)-hydroxide-oxide (E 172) (Ferric oxide yellow) Water, purified	The relief of backache, rheumatic or muscular pain, and general aches and pains in the muscles and joints. Digestive disorders such as bloating and flatulence where there is loss of appetite.
22	THR 23056/0002	16-Oct-07	M H Pharma (UK) Ltd	PremHerb Film-coated Tablets	Each film-coated tablet contains: 4.0 mg of extract (as dry extract) from Agnus castus fruit (Vitex agnus castus L.) (7-13:1)(equivalent to 28-52 mg of Agnus castus). Extraction solvent: Ethanol 60% m/v.	Tablet core: Liquid glucose (dry substance), Silica, colloidal anhydrous, Lactose monohydrate, Magnesium stearate, Maize starch, Cellulose, microcrystalline, Sodium starch glycolate (Type A). Film coating: Lactose monohydrate, Hypromellose Macrogol 4000, Titanium dioxide E171, Iron(III)-oxide E172 (==red iron oxide)	Relief of premenstrual symptoms.

23	THR 23056/0007	20-Feb-08	M H Pharma (UK) Ltd	HyperiCalm® Tablets	<p>Each coated tablet contains: 425 mg of extract (as dry extract) from St John's wort aerial parts (<i>Hypericum perforatum</i> L.)(3.5-6:1)(equivalent to 1490 – 2550 mg of St John's wort). Extraction solvent: Ethanol 60% v/v.</p>	<p>Tablet core: Maltodextrin, Silica, colloidal anhydrous, Cellulose, microcrystalline, Croscarmellose sodium, Sodium starch glycolate (Type A), Magnesium stearate. Coating: Hypromellose, Sucrose, Talc, Calcium carbonate E170, Tragacanth, Acacia, Liquid glucose (dry substance), Titanium dioxide E171, Iron oxide hydrate E172 (=yellow iron oxide), Vanillin, Beeswax white, Carnauba wax, Shellac</p>	<p>Relief from the symptoms of slightly low mood and mild anxiety.</p>
----	-------------------	-----------	------------------------	---------------------	---	---	--

24	THR 18397/0003	16-Jun-08	Swiss Caps GmbH	ECHINAFLU soft capsules	One soft capsule contains 176 mg of dried pressed juice from fresh flowering Echinacea purpurea (L.) Moench herb (20-28:1).	Excipients of the herbal preparation: Maltodextrin, Precipitated silicon dioxide, Citric acid monohydrate. Excipients of the soft capsule: Refined soya-bean oil, Refined coconut oil, White beeswax, Rice starch, Fractionated palm kernel oil, Phospholipids from soya-beans, Succinylated gelatine, Glycerol, Non-crystallising sorbitol solution 70 %, Titanium dioxide E 171, Ferric (II,III) oxide E 172, Quinoline yellow E 104, Patent blue V E 131, Purified water	Relieve the symptoms of the common cold and influenza type infections
25	THR 13668/0009	30-Oct-06	Bioforce (UK) Limited	Atrogel Arnica Gel	1 g gel contains: 500 mg extract (as liquid extract) of fresh Arnica Flowers (Arnica montana L.) (equivalent to 120 - 200 mg fresh Arnica Flowers) Extractant: ethanol 58 %v/v	Ethanol (96 %), Purified water, Glycerol (85 %), Hypromellose	Symptomatic relief of muscular aches, pains and stiffness and sprains, bruises and swelling.

26	THR 13668/0011	10-Sep-07	Bioforce (UK) Limited	Prostasan Saw Palmetto Capsules	1 capsule contains 320mg of extract (as soft extract) from Saw palmetto fruit (<i>Serenoa repens</i> (Bartram) Small fructus (<i>Sabal serrulata</i> (Michaux) Nichols fructus)) (9-12 :1). Extraction solvent: Ethanol 96% V/V.	Gelatin, Glycerol, Sorbitol, Ferric oxide red, Ferric oxide black, Ferric oxide yellow, Purified water	Relieve of symptoms of an enlarged prostate in men, such as the need to urinate frequently (especially at night), weak or interrupted urinary flow, or the feeling of not being able to empty the bladder completely
27	THR 23056/0006	19-Dec-07	M H Pharma (UK) Ltd	NiteHerb Tablets	150mg of extract (as dry extract) from Valerian root (<i>Valeriana officinalis</i> L.)(equivalent to 450-900 mg of Valerian root). Extraction solvent: Ethanol 70% v/v. One coated tablet contains 35 mg of glucose and 136 mg of sucrose.	Liquid glucose spray dried, Silica colloidal anhydrous, Cellulose powdered, Croscarmellose sodium, Stearic acid, Talc, Sucrose, Calcium carbonate E170, Acacia, Tragacanth, Titanium dioxide E 171, Capol 600 T.S. containing: Beeswax white, Carnauba wax, Shellac	Temporary relief of sleep disturbances due to symptoms of mild anxiety.

28	THR 23056/0001	26-Jan-07	M H Pharma (UK) Ltd	Flexiherb Film-coated Tablets	1 film-coated tablet contains 600 mg of extract (as dry extract aqueous) from Devil's Claw root (<i>Harpagophytum procumbens</i>) (equivalent to 900-1500 mg of Devil's Claw root).	Cellulose powdered, Lactose monohydrate, Sodium Starch Glycolate (Type A), Silica colloidal anhydrous, Magnesium stearate, Sucrose, Titanium dioxide E 171, Hypromellose, Cellulose microcrystalline, Stearic acid.	Relief of backache, rheumatic or muscular pain, and general aches and pains in the muscles and joints
29	THR 05332/0003	26-Mar-08	Dr. Willmar Schwabe GmbH & Co. KG Ltd	Kaloba Oral Drops, solution	10 g (= 9.75 ml) of oral solution contains 8.0 g extract from the roots of <i>Pelargonium sidoides</i> DC (1: 8 - 10) (EPs® 7630). Extraction solvent: 11% ethanol (w/w). 1 ml (approximately 20 drops) of Kaloba Oral Drops, solution contains 120 mg ethanol (alcohol) equivalent to 2.4 ml beer or 1.0 ml of wine.	Glycerol 85%, Ethanol	Relief of the symptoms of upper respiratory tract infections, including common cold, such as sore throat, cough and blocked or runny nose

30	THR 14369/0007	30-Apr-08	PASCOE pharmazeutische Präparate GmbH	BOTANOVA, Film- coated tablets	<p>60 mg of extract (as dry extract) from St John's Wort Herb (<i>Hypericum perforatum</i> L.) (4.6-6.5:1), Extraction solvents: Ethanol 38% (m/m);</p> <p>28 mg of extract (as dry extract) from Valerian Root (<i>Valeriana officinalis</i> L.) (3.8-5.6:1), Ethanol 40% (m/m);</p> <p>32 mg of extract (as dry extract) from Passion Flower Herb (<i>Passiflora incarnata</i> L.) (6.25-7.1:1), Ethanol 60% (m/m) Each film-coated tablet also contains: Lactose monohydrate (90.5 mg) and glucose (10.4 mg)</p>	<p>Excipients of the herbal preparation: Lactose monohydrate, glucose liquid spray-dried, maltodextrin, silica colloidal anhydrous. Excipients of the tablet: Lactose monohydrate, silica colloidal anhydrous, talc, magnesium stearate, povidone K30, glycerol (85 per cent), croscarmellose sodium. Excipients of the film coating: Basic butylated methacrylate copolymer, talc, titanium dioxide (E 171), indigo carmine laquer (E 132), macrogol 6000, magnesium stearate.</p>	Relieve slightly low mood and mild anxiety and sleep disturbances due to symptom of mild anxiety
----	-------------------	-----------	---	-----------------------------------	---	---	--

31	THR 23056/0003	25-Jun-07	M H Pharma (UK) Ltd	Menoherb® Film-coated Tablets	6.5 mg of extract (as dry extract) from Black Cohosh rhizome and root (<i>Cimicifuga racemosa</i> (L.) Nutt.) (4.5-8.5:1) (equivalent to 29.25-55.25 mg of Black Cohosh). Extraction solvent: Ethanol 60% v/v. One film-coated tablet contains 142mg lactose monohydrate.	Excipients of the herbal preparation: Lactose monohydrate, Cellulose powdered, Silica colloidal anhydrous. Excipients of the tablet: Silica colloidal anhydrous, Magnesium stearate, Maize starch, Cellulose microcrystalline, Sodium starch glycolate (type A). Excipients of the film-coating: Hypromellose, Macrogol 4000, Titanium dioxide E 171	Relief of symptoms of the menopause, such as hot flushes, night sweats or temporary changes of mood
----	-------------------	-----------	------------------------	-------------------------------	--	--	---

32	THR 23056/0009	03-Mar-08	M H Pharma (UK) Ltd	NiteHerb Plus® tablets	125 mg of extract (as dry extract) from Valerian root (<i>Valeriana officinalis</i> L.) (3-6:1) (equivalent to 375 – 750 mg of Valerian root). Extraction solvents: Ethanol 70% v/v, and 250mg of extract (as dry extract) from Passion flower herb (<i>Passiflora incarnata</i> L.) (5-7:1) (equivalent to 1250 – 1750 mg of Passion flower herb), Ethanol 50% v/v	Tablet core: Maltodextrin, Silica colloidal anhydrous, Cellulose powdered, Croscarmellose sodium, Magnesium stearate, Stearic acid, Talc, Liquid glucose spray dried. Coating: Sucrose, Talc, Calcium carbonate E170, Acacia, Tragacanth, Titanium dioxide E 171, Liquid glucose spray dried, Iron oxide hydrate E 172 (=yellow iron oxide), Hypromellose, Capol 600 T.S. containing: white Beeswax, Carnauba wax, Shellac	Temporary relief of sleep disturbances due to symptoms of mild anxiety
33	THR 18397/0004	16-Jun-08	Swiss Caps GmbH	ECHINAFLU effervescent tablets	One effervescent tablet contains 176 mg of dried pressed juice from fresh flowering <i>Echinacea purpurea</i> (L.) Moench herb (20-28:1). This product contains 17.05 mmol (or 392 mg) sodium per tablet.	Excipients of the herbal preparation: Maltodextrin, Precipitated silicon dioxide, Citric acid monohydrate. Excipients of the tablet: Ascorbic acid, Sodium hydrogen carbonate, Saccharin sodium, Sodium cyclamate, Citric acid anhydrous, Citric flavour, Permaseal 84260-51.	Relieve the symptoms of the common cold and influenza type infections

34	THR 16409/0002	31-Jul-08	Natures Aid Health Products	EchinEeze Tablets	One tablet contains 70mg of extract (as dry extract) from Echinacea purpurea root (equivalent to 460 – 530mg of Echinacea purpurea(L.) Moench root.) Extraction solvent: Ethanol 30% v/v.	Herbal extract: Maltodextrin, Silica colloidal hydrated. Tablet core: Calcium hydrogen phosphate dihydrate, Cellulose microcrystalline, Silica colloidal hydrated, Croscarmellose sodium, Magnesium stearate	Relieve the symptoms of the common cold and influenza type infections
35	THR 05332/0004	24-Jul-08	Dr. Willmar Schwabe GmbH & Co. KG	Vitano Film-coated Tablets	200 mg of extract (as dry extract) from Rhodiola rosea L. roots and rhizomes (1.5 – 5: 1) (WS® 1375) (equivalent to 300 – 1000 mg of Rhodiola rosea roots and rhizomes) Extraction agent: ethanol 60 % (m/m)	Microcrystalline cellulose, croscarmellose sodium, precipitated silicon dioxide, magnesium stearate, hypromellose, stearic acid, iron oxide red (iron (III) oxide), titanium dioxide, anti foam emulsion.	Temporary relief of symptoms associated with stress, such as fatigue, exhaustion and mild anxiety
36	THR 15817/0004	11-Jul-08	Bio-Health Limited	VALDRIAN Capsules	Each capsule contains 400mg of Valerian root. (Valeriana officinalis L.)	Hypromellose (capsule shell)	Temporary relief of mild anxiety and to aid sleep
37	THR 13668/0014	21-May-08	Bioforce (UK)	Hyperiforce St. John's wort tablets	One tablet contains 40-73 mg of extract (as dry extract) from fresh St John's wort (Hypericum perforatum L.) flowering herb (3.1-4.0:1). Extraction solvent: Ethanol 68% V/V. One tablet contains 5.5 mg soya polysaccharide.	Microcrystalline cellulose, Maize starch, Soya polysaccharide, Hydrogenated cotton seed oil	Relief from the symptoms of slightly low mood and mild anxiety

38	THR 01175/0004	10-Oct-08	A. Nelson & Co. Limited	Duchy Herbals Echina- Relief Tincture	Each 1ml of oral liquid contains 1ml of tincture from dried Echinacea purpurea (L.) Moench root (1:3) (equivalent to 33 mg dried root). Extraction solvent: Ethanol 45% v/v. 1 ml of tincture contains approximately 360 mg ethanol (alcohol) equivalent to 9 ml beer or 4 ml wine.	Ethanol (from tincture)	Relieve the symptoms of the common cold and influenza type infections
39	THR 01175/0123	10-Oct-08	A. Nelson & Co. Limited	Duchy Herbals Hyper- lift Tincture	Each 1ml of oral liquid contains 1ml of tincture from dried St John's Wort (Hypericum perforatum L.) flowering tops (1:4). Extraction solvent: Ethanol 45% v/v. 1ml of tincture contains approximately 360mg ethanol (alcohol), equivalent to 9 ml of beer or 4 ml of wine.	Ethanol (from tincture)	Relieve the symptoms of slightly low mood and mild anxiety

40	THR 33518/0011- 12	16-Dec-08	Diapharm Regulatory Services GmbH	DiaSleep and DiaNight	150 mg of extract (as dry extract) from Valerian root (<i>Valeriana officinalis</i> L.) (equivalent to 450-900 mg of Valerian root). Extraction solvent: Ethanol 70% v/v. One coated tablet contains 35 mg of glucose and 136 mg of sucrose.	Liquid glucose spray dried, Silica colloidal anhydrous, Cellulose powdered, Croscarmellose sodium, Stearic acid, Talc, Sucrose, Calcium carbonate E170, Acacia, Tragacanth, Titanium dioxide E 171, Capol 600 T.S. containing: Beeswax white, Carnauba wax, Shellac	Temporary relief of symptoms of mild anxiety and as an aid to sleep. Temporary relief of sleep disturbances due symptoms of mild anxiety.
